The Eminent Kidney
 and Bladder Specialist.

The Discoverer of Swamp-Root at Work in His Laboratory.
 There is a disease prevailing in this
 country most dangerous because so decep-
 tive. Many sudden deaths are caused by
 it—heart disease, pneumonia, heart failure
 or apoplexy are often the result of kidney
 disease. If kidney trouble is allowed to ad-
 vance the kidney-poisoned blood will attack
 the vital organs, or the kidneys themselves
 break down and waste away cell by cell.
 Then the richness of the blood—the albumen
 —leaks out and the sufferer has Bright's
 Disease, the worst form of kidney trouble.
 Dr. Kilmer's Swamp-Root the new dis-
 covery is the true specific for kidney, bladder
 and urinary troubles. It has cured thousands
 of apparently hopeless cases, after all other
 efforts have failed. At druggists in fifty-cent
 and dollar sizes. A sample bottle sent free
 by mail, also a book telling about Swamp-
 Root and its wonderful cures. Address
 Dr. Kilmer & Co., Binghamton, N. Y. and
 mention this paper.
